

Open since May of 2016, Sycamore Creek Family Ranch is nestled on 272 acres in Branson, Missouri. In addition to fall field trips, SCFR hosts weddings, corporate and private events, community barn dances, and seasonal festivals.

**WHAT WE OFFER**

SCFR provides structured field trips that make class outings a whole lot easier for teachers - and a whole lot of fun for students! Our school tours are organized into 6-7 15-minute stations led by SCFR staff and volunteers.

- Gunnysack slide
- Line dancing lesson in the Heartwood Barn
